Section B — Reading Comprehension (40 marks)

Kit's Lunch Box

Kit is 7 years old. He is in Primary One. Every morning his mother makes his lunch box for him.

Today there are 2 egg sandwiches in the box. There are also 12 grapes and 1 box of juice. Kit puts the lunch box into his school bag and walks to school with his father.

At lunch time Kit sees his friend Tom. Tom has no lunch today. He forgot his lunch box at home. Kit opens his lunch box and gives Tom one sandwich and some grapes. The two boys eat together and laugh a lot.

After school Kit tells his mother about Tom. His mother smiles and says, "I am proud of you, Kit. Food tastes better when we share it."

B1. Are the sentences true or false? If a sentence is false, write the correct information. (12 marks)

Kit is eight years old.

答案 : False. He is 7 years old.

There are two egg sandwiches in Kit's lunch box.

答案 : True.

Kit gives Tom some grapes.

答案：True.

Kit ate his lunch alone.

答案：False. He shared his lunch with Tom.

B2. Answer the questions in complete sentences. (16 marks)
