Section B Reading Comprehension

The Hiking Trail

Class 6A hiked the Tai Mo Shan trail on Friday. The trail is 10.5 km long. The group of 24 students and 2 teachers set off at 8:15 am and reached the end at 11:45 am. They passed 7 checkpoints and stood on the peak at 10:45 am. Section C was the steepest part.

Each person carried 1.5 litres of water in 0.75-litre bottles. The leader asked everyone to carry a whistle so that they could call for help. Everyone took their rubbish home because there were no bins on the trail.

Read the passage and answer the questions.

11. How long did the hike take?
12. What was the average speed of the group?
13. How many people went on the hike?

14. How much water did the group carry altogether?
15. How many 0.75-litre bottles is that?
16. How many checkpoints did they pass?
17. Which section was the steepest?
18. What time did the group stand on the peak?
19. Why did the leader ask everyone to carry a whistle?
20. What did the group do with their rubbish?
