乙部：閱讀理解（短篇故事《失蹤的雨傘》）（16 分）

Mei had never liked rainy Mondays. She left home at 7:40 a.m. with her father's old black umbrella and caught the 7:50 bus to school. In the long queue at the tuck shop she put the umbrella down for a moment, and when she turned round it was gone. She looked under the benches and behind the door, but she could not find it. All morning the rain ran down the windows. At lunchtime Mei went to the school office and the clerk opened the lost property box. There was the black umbrella, and inside it was a small note: "I borrowed this umbrella to walk my little sister to the clinic. I am sorry! K." Mei read the note twice, then she smiled and put the umbrella back in the box for the next rainy day.
